○ RETAIL PROFIT

20% - 30% RETAIL PROFIT

For you, retail profit isn't just about making a sale; it's about connecting with customers. By truly understanding and championing our products, you're not only earning an immediate income but also building relationships that will sustain your business.

FAST START BONUS

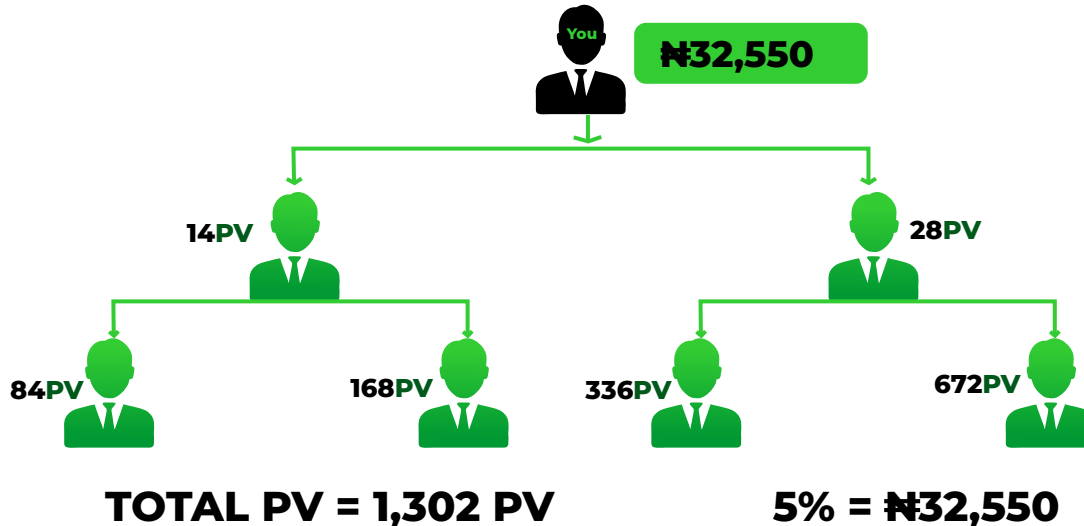

5% of the total Business Package PV purchased by the first six new members at levels one and two.

Kickstart your business with the Fast Start Bonus by enrolling two new members and helping them enroll two new members each within your first thirty days. This bonus provides immediate rewards for helping your team members get off to a strong start.

FAST START BONUS

5% of the total Business Package PV purchased by the first six new members at levels one and two.

DIRECT REFERRAL BONUS

30% of the Business Package PV purchased by your direct referrals.

This bonus is your direct reward for bringing new members on board. It's not just a commission; it's a celebration of your ability to share the products and the opportunity you believe in.

A decorative graphic on the right side of the slide features a white background with a red horizontal line. Above the line, the text 'Refer a Friend' is written in a black, cursive font. Below the line, there are several black-outlined arrows of various sizes pointing to the right, some overlapping each other. The entire graphic is set against a green background that has a wavy, textured appearance.

UPGRADE BONUS

Same as the Direct Referral and Indirect Referral Commission Structure.

You are rewarded when your direct and indirect referrals decide to invest more in their journey with us by embracing the broader income potential our bigger packages offer. It's like a high-five for the trust they've put in our products and the opportunity.

MATCHING BONUS

8% to 16% of each 28PV on the lesser leg with a daily cap depending on your business package.

The matching bonus is your reward for leadership. As you guide your team to success, this bonus reflects not just your efforts but the collective achievements of your downline. It's a testament to your mentor-ship.

MATCHING BONUS

- You must unlock your binary to earn the matching bonus.
- All PV pairs are matched with as low as 28PV on both sides.
